PLANNING APPLICATION FORM

BEFORE FILLING OUT THIS FORM PLEASE NOTE THE FOLLOWING:

1. MANDATORY INFORMATION

This application form is in two parts. Part 1 contains sections requiring mandatory information – these sections are **highlighted** and must be completed. In relation to Part 2, please see (4) below. Please note also that Q.27 is mandatory.

Failure to complete the mandatory sections of this form, or attach the necessary documentation, or the submission of incorrect information or omission of required information will lead to the invalidation of your application. Therefore please ensure that each mandatory section of this application form is fully completed and signed, entering n/a (not applicable) where appropriate, and that all necessary documentation is attached to your application form.

In order to reduce the risk of your planning application being declared invalid, you are advised to complete and sign off on the validation checklist prior to lodging your planning application.

2. ADDITIONAL INFORMATION

It should be noted that because each planning authority has its own development plan, which sets out local development policies and objectives for its own area it is necessary for Dublin City Council to require supplementary information (i.e. other than mandatory information) in order to determine whether the application conforms with the development plan.

While failure to supply the supplementary information will not invalidate your planning application, it may delay the decision-making process or lead to a refusal of permission. In case of doubt, applicants should contact Dublin City Council Planning Department to determine what local policies and objectives would apply to the development proposed and whether additional information is required.

3. IT IS VERY IMPORTANT TO NOTE THAT:

- (a) the granting of planning permission does not relieve the developer of the responsibility of complying with any requirements under other codes of legislation affecting the proposal, and**
(b) a person shall not be entitled solely by reason of a planning permission to carry out any development

4. DATA PROTECTION

The planning process is an open and transparent one.

All planning application documentation, Observations / Submissions, and the weekly planning lists are made available for public inspection at the Council's offices and on the Council's website under Section 38 of the Planning and Development Act 2000 as amended. This information is processed in accordance with the Planning and Development Act 2000 as amended and is made available to An Bord Pleanála in the case of an appeal under Section 127 of the Planning and Development Act 2000 as amended. There are 2 exceptions to the information being made available to the public and An Bord Pleanála (paper file or website): -

- Part 2 of the planning application form
- The email addresses and telephone numbers of Observations/Submissions

It has come to our attention that the publication of planning applications by planning authorities can lead to applicants being targeted by persons in the business sector engaged in direct marketing. In response to a request from the Data Protection Commissioner, you are hereby given an opportunity to indicate a preference with regard to the receipt of direct marketing arising from the lodging of a planning application.

If you are satisfied to receive direct marketing please tick this box.

Direct marketing may be by post, by telephone, by hand or by electronic mail such as email or text message where such details are supplied.

It is the responsibility of those entities wishing to use the personal data on planning applications and decisions lists for direct marketing purposes to be satisfied that they may do so legitimately under the requirements of the Data Protection Acts 1988 & 2003 taking account of the preference outlined above.
